

REMARKS

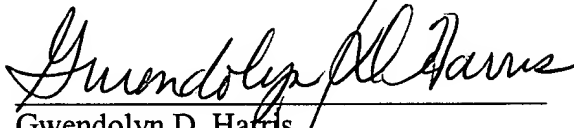

Claims 9-15, 20-30, 31-37, 46-52, 57-67 and 68-74 are withdrawn without disclaimer or prejudice.

In response to Examiner's request for restriction to one of four inventions, Applicant elects the invention of group I. Thus original claims 1-8, 16-19, 38-45 and 53-56 remain pending in this patent application and are in condition for examination and such action is earnestly solicited.

Respectfully submitted,

Dated: 11/7/03
